NOTICE OF NONDISCRIMINATORY POLICY AS TO STUDENTS

The Ventura County Junior Lifeguard Program accords students of any race, color, national and ethnic origin all the rights, privileges, programs and activities generally accorded or made available to students at the school. Ventura County Junior Lifeguard Program does not discriminate on the basis of race, color, national and ethnic origin in administration of educational policies, admissions policies, athletic and other school-administered programs.

STUDENT DISCIPLINE FOR MINOR INCIDENTS

For the Junior Lifeguard Program to be successful, students must exhibit behavior that is respectful of our staff, other students, our equipment and facilities. Group activities are vital to our program. A student that is disruptive to group activities and disrespectful to instructors, diminishes the enjoyment and education of the other students.

The intent of discipline is to instruct the student so as to gain compliance with acceptable behavior norms. Therefore, please familiarize your Junior Lifeguard with the following expected behaviors:

- Respect of instructors and other staff
- Respect of other students; no shoving, hitting or name calling
- Respect of facilities, equipment and property
- Cooperation with others and good sportsmanship
- Following all safety rules and all instructions
- Listening quietly to directions and announcements
- Participation in regular program activities

The progressive steps of discipline are as follows:

1. When a minor discipline situation occurs, the student will be counseled about the situation and given an explanation of what behavior change is expected.
2. If a subsequent incident occurs, the student will be asked to take a **“TIME OUT”** or **“TAKE A LAP.”** A **“TIME OUT”** is a period of five to ten minutes that the student spends quietly reflecting on the incident. A **“TAKE A LAP”** is a supervised swim or run of reasonable distance. After the **“TIME OUT”** or **“TAKE A LAP,”** the student is allowed to rejoin the group activity.
3. When a student has a series of **“TIME OUT”** or **“TAKE A LAP”** in the same day, or a series of discipline situations over several days, the lead instructor will inform the youth’s parent or guardian about the situation.

4. When a student continually disregards the Instructors or shows little or no improvement with steps 1 through 3, the student will be suspended from the program for one day. The parent or guardian of the student will be informed that the student has been suspended. There will be **no** pro-rated refund of fees.
5. If, after suspension, the student's behavior is still not acceptable, the parent or guardian of the student will be informed that the student may no longer attend any of the program's activities. There will be no refund of fees.

Major first time incidents may progress the student directly to step 4 or step 5 of the above procedures. Major incidents would include:

- Leaving the program area without permission
- Insubordination
- Fighting with another student or other persons
- Unlawful or non-consensual touching of another person
- Stealing property
- Vandalism of equipment or facilities
- Other conduct which brings disrespect on the Junior Lifeguards or the County of Ventura

Any time a major behavior problem occurs, the Program Supervisor will be advised.

ATTENDANCE

Attendance is taken daily. We would appreciate being notified if your child will be absent. Please phone the Harbor Patrol office between 8:00 and 8:45 a.m. at 973-5959.

REFUND POLICY

(Please note the Ventura County Jr. Lifeguard Program is NOT the State of California Ventura Jr. Lifeguard Program.)

1. There is a **\$50.00 fee** for cancellations made prior to the first day of instruction.
2. Students may drop from the program at any time prior to the completion of the first week of instruction and receive a **50% refund** of tuition. After commencement of the first day of instruction of the program's second week, **no refunds will be made.**
3. Student injuries that occur during the program that preclude the student's continuation in the program will result in a pro-rated refund based upon the remaining number of days in the program, including the day of injury.
4. There is **no** refund of fees for students suspended (1-3 days) or for students that are removed from all further program activities for disciplinary reasons.

PARTICIPATION IN ACTIVITIES

Students are encouraged to participate in all regular program activities. The younger, smaller students may not have the same opportunities as the older students to utilize the kayaking equipment and other equipment, which require body weight and strength. Daily activities include strength conditioning, stretching, running, paddling, surfing and swimming. If you have questions, please see one of the lead instructors. Participants will be given boat rides with the Harbor Patrol and instructed on local marine life and habitats.
