**Subject: Postponement Request for Item Th10.a  
Scheduled for September 14, 2017**

Dear Jack,

It is with great regret that I write you to request a one month postponement of the County's Dispute Resolution, Item Th10.a., scheduled for September 14, 2017. As you know, we have been working very hard to prepare for this hearing, and have others representing the County who have cleared their calendars to attend.

Unfortunately, at the last hour we have had some additional issues arise related to the City of Oxnard. One of these matters is scheduled for hearing before the City Council on Tuesday night, September 12<sup>th</sup>, allowing no time to consult with the Board of Supervisors. The other matter will be the subject of a meeting among City and County principals and their attorneys, being scheduled now. The substance of these meetings may have an effect on our request to the Commission, which requires more time to prepare within the County.

We request that the County's Dispute Resolution be continued to the Commission calendar for October 2017 in Chula Vista, California. The County has no intention to request any additional delays.

Thank you for your consideration.

Director
